

Moon Friend

Supplylist

- heavyweight Watercolor Paper (I used Arches Torchon)
- a Compass & a Ruler or something else to create Circles with
- Pencil
- Brushes of your Choice
- Watercolors of your Choice - I used Daniel Smith Watercolors, Schmincke Horadam, Super Vision Watercolors - but work with YOUR favourite Brand / the Brand(s) you have at home!
- white Gouache Paint (or Dr. Ph. Martin's Bleed Proof White)
- Special Effect Watercolors (like Shimmering Watercolors etc.)

Please keep in mind that in Art it's not about the Supplies - so those are the Supplies I used to create my piece - however - you might use other Supplies from your own Stash to create a similar Piece! I'm a firm believer in „use what you have and make it work for you“ ... so if you decide to work with other Brands - go for it - lots of Art Supplies can be replaced by other, similar Supplies & Medias ... make it your own!
